Sleuth has been contacted by Kidwell about an introduction to Sleuth users in Nebraska. Sleuth is not affiliated with Sleuth and there is no partnership or business arrangement. Kidwell offers local IT services that may be of value to the user community. They will introduce themselves and give a brief overview of their services.

About Kidwell – while grounded in the electrical business – has grown to serve the technology needs for businesses of all sizes. Our large staff of highly trained and industry certified employees work for you to provide efficient (and often lower cost) solutions for your business.

Serving all of southeast Nebraska, Kidwell is headquartered in Lincoln, Nebraska in a new state-of-the-art facility that showcases the power of integrated technology. For more information, please contact us at [info@kidwell.us.com](mailto:info@kidwell.us.com), or call 888-449-4596.
